

# Fusion

**Fusion** supports the engineering and product design sector in all aspects of 3D CAD. In the design and manufacturing sector many see 3D CAD as the future. But we work in a competitive, worldwide market. The reality is: 3D CAD is an essential tool... now! If your business could benefit from moving to 3D CAD, **Fusion** will help you get there.

**Fusion** specialises in **SolidWorks** - the world's most widely used 3D CAD package.

## Fusion Services

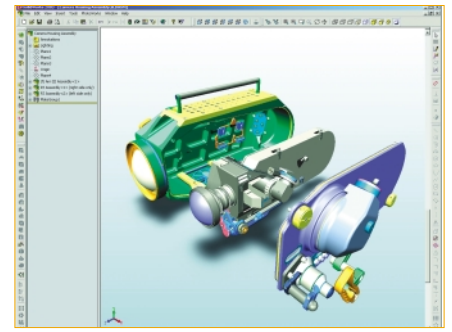

*Fusion offers cutting edge solutions, software products and training to the engineering, technical and design industries.*

- INNOVATIVE 3D SOFTWARE PACKAGES FOR DESIGN
- INSTRUCTOR LED TRAINING AND DISTANCE LEARNING PROGRAMMES
- TECHNICAL SUPPORT ON-SITE AND VIA TELEPHONE
- SUBSCRIPTION SERVICE PROVIDER
- DESIGN AND OUTSOURCING SOLUTIONS
- DESIGN CONSULTANCY

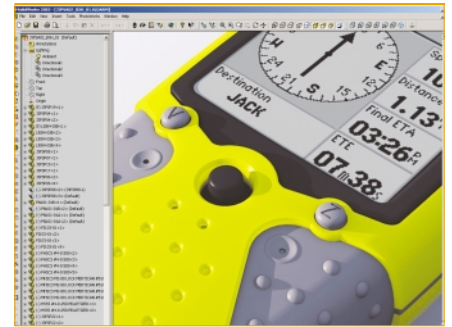

## Software

Fusion offers a broad range of software packages to meet the diverse needs of the engineering and product design sectors. Our focus is on the very latest, and the very best. Our preferred platform is SolidWorks. From simple stand alone products, to the most complex integrated suites offering multi-user, multi-site, multi-application solutions... **Fusion will deliver.**

## Technical support

On-site, over the telephone, or by remote interface with your system...  
**Fusion will be there to sort out any technical problems.**

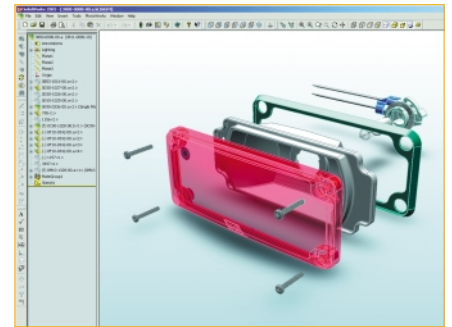

## Training

Great trainers, great facilities, great atmosphere...  
**Fusion will train you to get the most out of your applications.**

Fusion works around the needs of your business: daytime, evening, weekend training... **no problem!**

Training at your premises or at a location of your choice; bespoke training, one-to-one training, multi-site, multi group training... **Fusion will find a way.**

Would you, or a member of your team, like to become a Certified SolidWorks Professional... **talk to Fusion.**

“One of the best CAD courses I have been on”  
- John Parkinson, David Brown Union Pumps Ltd

“Excellent in every aspect”  
- Denis Welbourn, Hiram Wild Ltd

## Design

Bureau Service: From a half-day of support to help customers get a ‘rush-job’ finished in time, to the management of major design projects...  
**Fusion will lend you a decade of experience working on diverse product design and engineering projects.**

Contractor Service: Perhaps you need extra resource on your site for a period. A day? a year?...  
**Fusion will place a carefully vetted, competent contractor on site for you.**
